## Declaration of RoHS, Halogen free and REACH compliance for ASTAR, S.A. products

We hereby certify that our products with the references VERKID and CARBKID are compliant with all requirement and exemption set by European RoHS 2.0 Directive 2011/65/EU and the European Delegated Directive (EU) 2015/863.

We hereby certify that our products with the references VERKID and CARBKID do not contain any halogen compound in their formulation.

We also certify that our products with the references VERKID and CARBKID are fully compliant with the related requirements of European Union Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH). ASTAR, as a compounder, manufactures material mixtures and no chemical substances. REACH requires substances only to be registered at REACH, consequently ASTAR does not need to preregister or register any own products.

As REACH regulation is updated frequently, for the major changes afterwards, such as the addition of SVHC substances into Annex XIV, the addition of restricted substance into Annex XVII, ASTAR will evaluate the further revise in time and updates this declaration to reflect these changes.

Consequently, Astar confirms that our products do not contain any of the substances published in the last updated of ECHA SVHC List, dated on January 2021.

We further declare that all the statements in this letter are true and accurate.
